The hours that are stated in this document should be considered as the reported and spent hours by the school councils, respecting each individual school's guidelines.

On behalf of the PhD Chapter at THS,

Ugne Miniotaite
Dr/THS Chairperson 2024/2025

Hemanth Venkatesan

¹ The increase in the time compensation for individual board members in comparison to the previous year is because of the reduction in the size of the board this year (from 10 members last year to 5 members this year) and the increase of associated workload. All the above-mentioned board members will also serve as Event Managers for the CBH PhD council. The Chairperson gets 15% time compensation owing to the amount of time dedicated to the planning and organisation of all meetings, documentation and participation in other council meetings such as quality council, school council, program council, department council, THS meetings and other duties.
